

Lake Placid–Saranac Lake Recreation Pathway

Donation Form – 2007

One way to increase the impact of your donation to the pathway is to complete this Janus Charity Challenge form by July 15 and return it along with your donation check to the **Adirondack North Country Association (ANCA)** or to **Rick Preston** at the Adirondack Medical Center in Lake Placid.

Rick is competing in the 2007 Lake Placid Ironman and has registered the Pathway Project with the Janus Charity Challenge. The top 50 fund-raising programs (in terms of total dollar amount donated) will each receive an additional donation from Janus, with the top program receiving \$10,000.

Donations can be made with a credit card online by going to www.januscharitychallenge.com and searching for athlete Rick Preston or charity “ANCA” in the Athlete and Charity Search under “Make a Donation.” A small service charge is deducted from online donations. Donations made by check also count towards the challenge if a completed copy of this form accompanies your check.

Through a formal agreement with the Town of North Elba, ANCA is maintaining a restricted fund for the pathway project. Chuck Damp is the fundraising chairperson. All donation checks should be made out to the **ANCA Pathway Project**. For more information about donating to the project, contact ANCA at 518-891-6200 or e-mail to anca@northnet.org. Visit ANCA online at www.adirondack.org or see www.bikeadironacks.org/newtrails.html for more information.
